Page 1 — Why this book helps you

FREE PDF PLAYBOOK If inconsistent, the issue is usually one of these:

Common outbound failure points

- 1 Targeting is too broad
- 1 Messaging is not specific enough
- 1 Follow-ups stop too early
- 1 There's no simple tracking system

Playbook This playbook gives you a light-weight system to fix all four—fast.

The practical promise

Use this as your 14-day operating system: define the right accounts, send messages that create replies, follow up with discipline, and track the metrics that matter.

Lead on

Trigger events: signals they might buy now

- 1 Hiring sales team
- 1 Recently raised funding
- 1 Launching a new product
- 1 Expanding into a new region

Rule: If you can't describe "who + pain + outcome" in one sentence, your ICP is not ready.

Where to find leads

- 1 LinkedIn Sales Navigator
- 1 Company directories and associations
- 1 Industry newsletters and event attendee lists
- 1 BuiltWith / similar tech lookup tools

Minimum fields to capture

- 1 First name, last name
- 1 Title
- 1 Company
- 1 Website
- 1 LinkedIn URL
- 1 Work email
- 1 Phone (optional but valuable)
- 1 Notes: trigger, tool used, recent post, etc.

Quality filter: Don't add leads unless you can answer: "Why them, why now?"

Page 3 — Messaging Framework

Use this structure as your base. It is simple enough to scale, but specific enough to avoid generic outreach.

FREE PDF PLAYBOOK

The only framework you need

- 1 Personalization: one relevant line
- 1 Problem: what they likely face
- 1 Outcome: what they want
- 1 Proof: how you know / what you've done
- 1 CTA: simple, low-friction

Subject: Quick question about {{Company}}
Hi {{Name}},
Noticed {{trigger}} at {{Company}}.
Are you currently working on {{relevant initiative}}?
We help {{ICP}} get {{outcome}} by {{method}}.
If it's useful, I can share a 1-page plan for {{Company}}.
Should I send it over?
Thanks,

Subject: {{Outcome}} for {{Company}}?
Hi {{Name}},
I put together a quick checklist we use to help {{ICP}} improve {{outcome}}:
• {{point 1}}
• {{point 2}}
• {{point 3}}
If you tell me what you're using for {{tool/process}} today, I can tailor it to {{Company}}.
Worth sharing?

Connection request — no pitch

“Hey {{Name}} — liked your post on {{topic}}. I work with {{ICP}} on {{outcome}}. Would love to connect.”

After they accept

“Thanks for connecting, {{Name}}. Quick question—are you currently focused on {{initiative}} at {{Company}}?”

If they reply “yes”

“Got it. We typically see {{pain}} show up when teams do {{context}}. If helpful, I can share the exact sequence we use to book meetings in {{industry}}. Want it?”
